

SewingERP: price list

Management software for bridal and evening-wear salons with a sewing workshop. Billed monthly, or yearly with 2 months free; unlimited users on every plan; cancel anytime. Prices in US dollars before tax, as of 2026-10-09.

Salon: \$79 / month, or \$790 / year (before tax)

For a salon that sells, fits and sews gowns in one location - Unlimited users - One salon

- Bride card: event, measurements with history, fittings calendar, deposits and balance
- Dresses: job number, stages and QR reporting from the phone, what is stuck, alterations, delivery and rentals
- Bride portal, online booking, reminders and e-signature
- Staff & attendance, including clock-in from a phone or tablet
- Tasks, orders, inventory, basic reports and file import

Atelier: \$149 / month, or \$1,490 / year (before tax)

For a salon with a workroom and outside workshops: the cost and profit of every dress - Unlimited users - Up to 3 salons / workshops

- Everything in Salon
- External workshops, factories and suppliers: what's out and when it's back
- Costs, pricing and profit per dress
- Ordering portal for stores (B2B)
- Integrations: external time clock, invoices and receipts, webhooks

Pro: \$249 / month, or \$2,490 / year (before tax)

For several branches, automation and AI agents - Unlimited users - Unlimited locations

- Everything in Atelier
- API and MCP for AI agents
- Shipping (UPS)
- Priority support

Enterprise: from \$499 / month (before tax)

For chains and large businesses: the same software on a dedicated instance with its own server and database, unlimited users and every Pro feature. The final monthly price depends on the number of branches and is set in a written quote before purchase.

Included in every plan

- 14-day free trial, no credit card required.
- Unlimited users.
- No setup fee. Hosting, nightly backups, updates and email support on business days.
- Export of all your data to CSV at any time.

Payment, cancellation and refunds

- Our order process is conducted by our online reseller Paddle.com. Paddle.com is the Merchant of Record for all our orders. Paddle provides all customer service inquiries and handles returns.
- Prices are in US dollars (USD) and exclude VAT or sales tax; the applicable tax is added at checkout according to your country.
- 14-day money-back guarantee on every payment: a full refund, no questions asked.
- Cancel anytime; cancellation takes effect at the end of the paid period (month or year).
- Moving to a higher plan or to yearly billing takes effect immediately and is charged pro rata; moving to a lower plan or to monthly billing takes effect at the next renewal.

- Optional onboarding package (setup, Excel import, team training): quoted separately and invoiced directly by us, not through Paddle.
